

RowLA SafeSport Policy

In alignment with USRowing's SafeSport policy, RowLA is dedicated to fostering a safe and supportive environment for all participants. This commitment reflects the policy's emphasis on a culture of respect and protection for athletes, coaches, and everyone in the sport.

Here's how RowLA implements SafeSport:

SafeSport Training:

Individuals with regular contact or authority over minor athletes, including coaches and staff, are required to complete SafeSport training to learn about preventing abuse, harassment, and other misconduct.

Reporting Procedures:

RowLA has procedures for reporting misconduct, bullying, harassment, or any other violation of the SafeSport code.

Background Checks:

RowLA conducts background checks on individuals who work with or supervise minors, including coaching and administrative staff.

Code of Conduct:

RowLA has a code of conduct that outlines expectations for behavior and promotes a safe and inclusive environment.

Physical Safety Measures:

RowLA implements measures to ensure physical safety, including mandatory swim tests for participants in learn-to-row programs and requiring proof of water safety.

Water Safety Education:

RowLA requires that all rowers pass a swim test, which includes swimming a distance, treading water, and putting on a life jacket while in the water.

By adhering to SafeSport policies, RowLA aims to create a safe and positive rowing experience for all its participants.
